Shaveta, M.Lib.

Amardeep Singh Shergill Memorial College, Mukandpur (SBS Nagar) was taken over by Guru Nanak Dev University, Amritsar on July 4th, 2007 as a Constituent College with the mission to provide quality education to the rural deprived youth. The University is in process to establish this institution as its Rural Regional Campus. In the first phase the professional courses like M.C.A (Three Year) and M.B.A (F.Y.I.C) were started from the academic session (2008- 2009). MBA (two years) is being started from current session.

The College was established in 1994 in memory of Amardeep Singh Shergill, an illustrious student of London School of Economics who passed away in prime of his youth. He was the only son of S. Gurcharan Singh Shergill, an NRI from England. Instead of getting subdued in grief, the father decided to serve noble cause of spreading the light of knowledge amongst rural youth.

The College is situated in Mukandpur, a small town in District SBS Nagar. It is about 10 Kms from Banga, 22 Kms from Phagwara and 22 Kms from Phillaur. The campus sprawls over 20 acres with an architecture that merges with the landscape. It has a magnificent triple storey building with all facilities essential for imparting quality education. It houses a double storey library, which has more than 23500 books on its open shelves. More than 40 Journals & magazines and 13 newspaper are also

available. The library has an E-Book section also. The library is also member of N-LIST established by INFLIBNET, AHMEDABAD. Under this membership, we are getting access to 2100 E-Journals and 51000 E-Books. The students can view the educational C.D's in the library. College library is providing facilities of internet and photocopy both to students and faculty members. Latest equipments like O.H.P., multi-media; T.V., Stereo, and DVD etc. are employed as teaching aids. The College has Chemistry, Botany, Home Science, Child Care, Dairy Farming. Music, Physics, Dress Designing and Automobile Maintenance labs. There is a separate Computer Science and I.T Centre, which has five state of the art Computer Labs with 127 computers & Internet connectivity of 1mbps (1:1) through radio link. Keeping in view the deteriorating standard of the English Language amongst rural youth an English language lab with Re-Net software imported from Finland has also been set up inside the College campus. There is a separate Seminar Hall with a seating capacity of 170 persons. Hostel facility for 80 girls is also available.

Gymnasium with its latest imported machines is a cynosure of all the eyes. Darshan Gill Sports Complex with a track of four hundred meter has playfields for Football, Hockey. Volleyball and Handball. A fleet of buses carries the girl students to College and back. The beautiful open-air theatre helps our students to nurture their academic and cultural capabilities. To widen the horizons of the learners, seminars and extension lectures by eminent speakers are arranged in the College from time to time. Separate units of N.C.C and N.S.S are working to make our students disciplined and service oriented citizens. Educational trips are arranged during the session to cultivate team spirit, mutual adjustment and tolerance among the youth apart from being a medium for entertainment. Various cultural programmes including talent hunt, University youth festival and Amardeep Mela are also organized.
