

UNIVERSITY PLACEMENT UNIT

Director, Placement

Dr. Hardeep Singh

Placement Unit is centralized facility to support the placement efforts of students in all the 3 campuses- Amritsar, Jalandhar & Gurdaspur. It looks after academic and career counseling of students and organizes seminars, workshops and industrial training relating to job openings in various sectors. It establishes advanced communication with prospective employers and arranges their visits to the campus for direct recruitment of our students from following professional courses :

Masters: Computer Application (MCA), Business Administration (MBA), Business Economics (MBE), Sports Medicine & Physiotherapy (M.S.P.T), Laws (LL.M), Journalism & Mass Communication (MJMC).

M.Sc.: Chemistry, Applied Chemistry, Microbiology, Biotechnology, Pharmaceuticals, Botany, Environmental Science, Molecular Biology, Biochemistry, Food Science, Applied Physics, Industrial Chemistry, Human Genetics, Fermentation & Microbial Technology.

M.Tech: Urban Planning, Information Technology

B.Tech: Computer Sc. & Engg. Electronics, Food Technology, Textile Chemistry, Sugar Technology, Urban & Regional Planning

Bachelors: Architecture (B.Arch.), Pharmacy (B.Pharma.), Laws (LL.B), Physiotherapy (BPT), Industrial Microbiology.

The placement brochures for these courses are published every year by The Placement Unit and sent to potential employers to attract their attention for recruitment drives.

Since its inception in 1998, the Unit has been able to place students in various reputed multinational companies at very handsome salaries. High profile companies like TCS, Wipro, Satyam, Accenture, L&T, Cognizant, CMC, DCM, Vardhman, Panacea Biotec, Ranbaxy, ICICI Bank, HDFC Bank, Centurian Bank of Punjab etc. visit the campus regularly for recruitment. The highest salary offered last year was Rs. 6.00 lac per annum and average package was Rs. 2.70 lac.

The Placement Unit has reconstructed database of recruiter companies to provide medium of communication between Guru Nanak Dev University, Amritsar & the potential employers.
